River Rush Review 2026

OCTOBER 2026 FALL EDITION

HALLOWEEN PARTY

WRITTEN BY FRANCIS & MEGAN

The Halloween Party was a great time with Megan's friends, enjoyed the costumes everyone came. But Salem, if you haven't been there check it out next year. The candy store for me, ghost hunter, call me a historian, made it worth the education.

Halloween party from Megan happy holidays, dinner and candy was worth it. Come to the Clubhouse for Halloween parties and Holiday events. The Hallloween candy was the star point of the event and the costumes - Megan

The pumpkin carving share your imagination, it's a terrible thing to waste. The Clubhouse makes Halloween and the Holidays something to look forward to.
